Watercolors with Beverly Mathis

Subject matter and techniques vary from traditional to experimental. Class demonstrations are designed to teach beginners basic techniques using a step-by-step approach to copy her sample painting. Those with more experience are encouraged to create original compositions. Students of all ability levels are welcome. Most paintings take 4-6 weeks to complete.

Supplies for this class are available for beginners to rent for \$1.50.

Beverly cannot remember when she was not interested in art and teaching. She has a Bachelor of Art Education from Herron School of Art. She has been teaching at the Southside Art League since 1996.

Her painting style features traditional subjects, details, textures, and clear colors, but she also can paint loose contemporary abstracts. Look for a scripture that she hides in some of her paintings.

After completing those paintings students will be encouraged to choose their own subjects and learn how to compose their own compositions.

Ron's favorite method of painting is plein air. He was a featured artist in the Painting Indiana Project. Careful study and discipline are the foundation for the success of his work.

Ron has won numerous awards for his work.
